

WORKING GROUP OF DIGESTIVE PATHOLOGY

Friday Morning and Afternoon Session, March 6, 2020

AN OVERVIEW OF OESOPHAGEAL PATHOLOGY

Moderators: A. Hoorens (UZ Gent), H. Dano (CUSL)

- 9:00 **INVITED LECTURE: Oesophagitis (non-Barrett).**
A. Driessen (UZ Antwerpen)
- 9 :30 **INVITED LECTURE: Dysplasia and submucosal oesophageal lesions: what
Gastroenterologists want to know from pathologists?**
D. Tate (UZ Gent)
- 10 :00-10 :30 **Coffee Break**
- 10 :30 **INVITED LECTURE: Pathology of Barrett's oesophagus: from metaplasia to
dysplasia and cancer.**
M. Jansen (UCL, London, UK)
- 11 :15 R 01 **Low-grade dysplasia in Barrett's esophagus is downgraded in half of the
cases after systematic expert pathology review before patient referral for
endoscopic treatment.**
P. Leclercq
- 11:30 R 02 **Subacute liver failure in a pregnant female.**
L. Keulen
- 11:45 R 03 **Actinomycosis of the pancreas: a case report.**
E. Ameloot
- 12:00 R 04 **An unusual appendiceal mass rises a diagnostic challenge.**
A. Vandendriessche
- 12:15 R 05 **Gastritis: demographic and environmental factors based on a cross-
sectional study in Belgium and Bukavu.**
M. Surmont
- 12:30 – 13:30 **Lunch**

Moderators: A. Driessen (UZ Antwerpen), P. Baldin (CUSL)

- 13:30 **INVITED LECTURE: Standardized macroscopic examination for cancer of
the oesophagus and oesophagogastric junction.**
L. Verset (ULB Bordet)

14:00		INVITED LECTURE: Diagnostic criteria and histopathological reporting of malignant epithelial oesophageal tumours. P. Demetter (ULB Bordet)
14 :30		INVITED LECTURE: Molecular pathology of oesophageal cancer and its clinical implications. P. Pauwels (UZ Antwerpen)
15 :00 – 15 :30		Coffee Break
15:30	R 06	Diagnosing Strongyloides in biopsy specimens: a case report. S. Rusu
15:45	R 07	81-year-old man with ulcerated mass in the caecum. B. Royer-Chardon
16:00	R 08	Incidence of appendiceal NEN and adherence to pathology classification rules in Belgium. S. Ribeiro
16:15	R 09	Incidence of rectal NEN and adherence to pathology classification rules in Belgium. F. De Maeyer
